

Sissinghurst Cricket Club – Junior Section Fixtures Information

With over 50 Junior Fixtures in any one season, all our fixtures, be they softball or hardball for our boys and girls, are co-ordinated through the use of the Spond App. The App is free and can be downloaded from the Apple App Store or Google Play Store.

Once you have completed your membership application the Junior Administrator will invite you to join the SCC Group. Having downloaded the App and registered you will be able to access the full schedule of fixtures and events for the Junior Section. We have created a series of Sub-Groups, in the App, which relate to the various age groups for both the boys and girls' softball and hardball teams.

Once the various playing groups have been established and the fixtures schedule has been loaded you will be able to confirm your child's availability for the various matches. All team selections will be made, by the coaches, from the list of players that have confirmed their availability with the App sending confirmation of your child's selection once made. All information on a particular match re venue and start time etc is shown on the App.

Spond is completely GDPR compliant. Should you wish to view their policy it is available at <https://spond.com/privacy>

Should you have any issues with setting up the Spond App or with access to the sub-groups etc please email juniorssissinghurstcc@gmail.com
